## Fr. Yvon's Weekly Reflection Praying for our College Students!

*Dear Friends,* This week about 20 million students will be off to college in the United States. Of those 20 million I am sure that we all know at least a few of these individuals who will become the leaders in our State and Country. (Please take a moment to think about who these students are).

These college years play a large part in the ongoing formation of these young adults. I am asking that each one of us offer an ongoing prayer for these our brothers and sisters that they will continue to discover who God calls them to be and the Gifts that God has given to them to share in order to make the world a better place.

*May God continue to bless them  
and us with His Peace Fr. Yvon*
