Fr. Yvon's Weekly Reflection We are always called to grow!

Dear Friends, Two weeks ago I talked about the opportunities that teachers and students have with the beginning of a new school year. Today I would like to pick up on that but this time in light of the new opportunity to grow in our faith. This week many parishes begin a new year of Religious Education as well as the R.C.I.A. (Rite of Christian Initiation of Adults) faith formation program. Again how successful and enjoyable this will be for all involved is up to each one of us. We are all called to continue to grow in our Faith and awareness of how God is working in our lives. There is no age limit. With that being said, I ask all of us to consider at least one thing that we (you) are going to do to discover or rediscover some element of our faith. Our rich faith has a lot to offer to us as we strive to be who God calls us to be! Enjoy the journey!

God's continued Peace, Fr. Yvon
